Re: Request for waiver to allow submission of a BEAR form for FY 2016
Petition for reconsideration, ID - 1101917630542, Confirmation # - 2017110126977165

From: Breckenridge School District 846

Billed Entity Number: 133974

471 #: 161034360

FRN #: 1699071998

After receiving a public notice from the FCC that our waiver request was denied, I am filing a petition for reconsideration as stated in the memo sent along with the public notice.

Footnote 15 refers to "denying requests for waiver of the Commission's invoice extension rule for petitioners that failed to demonstrate extraordinary circumstances justifying a waiver."

I didn't mention any extraordinary circumstances on my initial filing but would like to now. In the past 10 months I have missed work on several occasions to be with my ill father and make sure he gets to his doctor appointments. He eventually passed away and following his death it was my duty as representative of his estate to take care of all that is necessary when one dies. Although this may not be "extraordinary circumstance", it has consumed my life and affected my duties in the E-rate filing process. I am asking for reconsideration to waive the deadline to file an invoice deadline extension request.

Thank you,
